Cubicle hardware

It's as easy as 1, 2, 3.

Follow these simple steps to choose your perfect colour.

1

Choose a range.

Your first step is to choose your product from our extensive range.

2

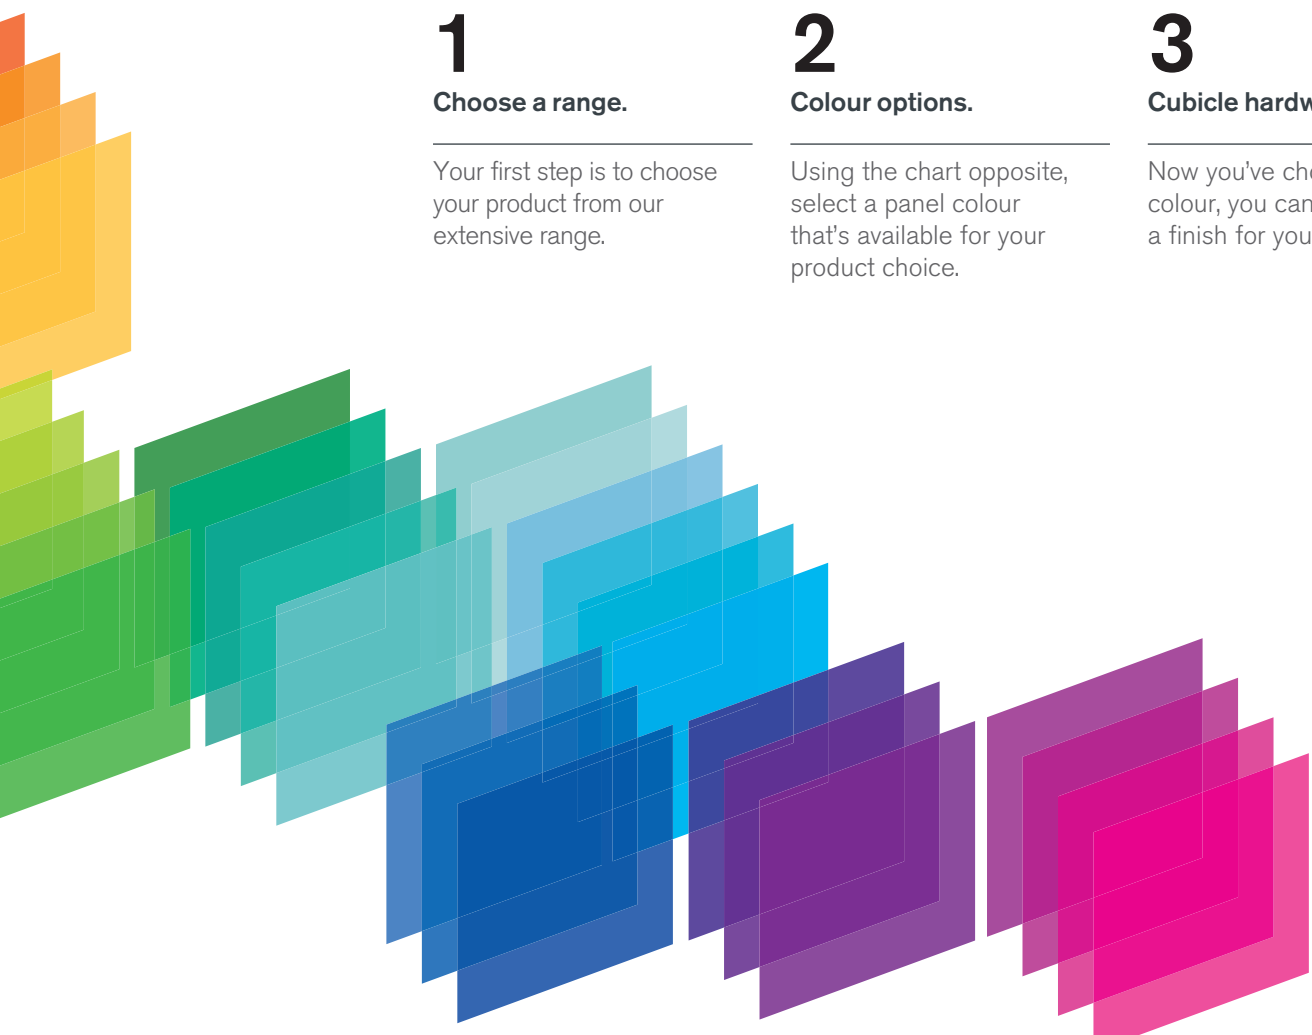

Colour options.

Using the chart opposite, select a panel colour that's available for your product choice.

3

Cubicle hardware.

Now you've chosen your colour, you can select a finish for your hardware.

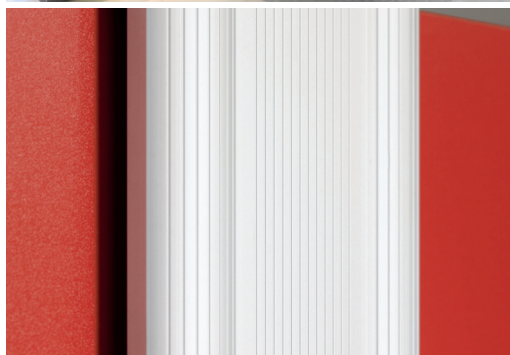

[^] For real wood veneer choices see back of left hand booklet.

Colour selector

Helping you create a stylish, co-ordinated washroom.

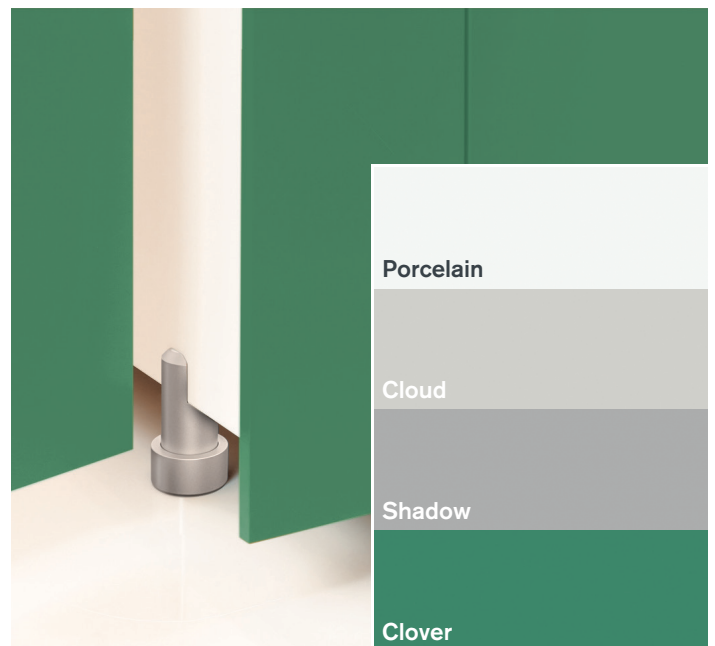

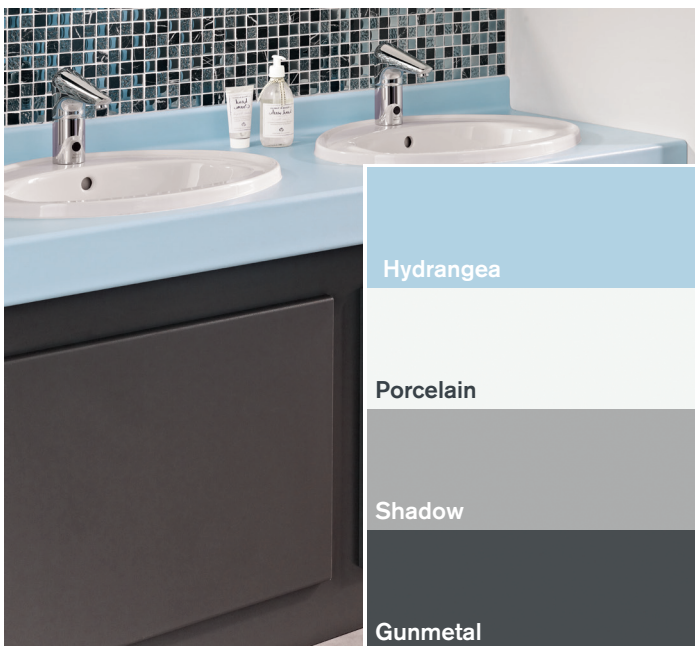

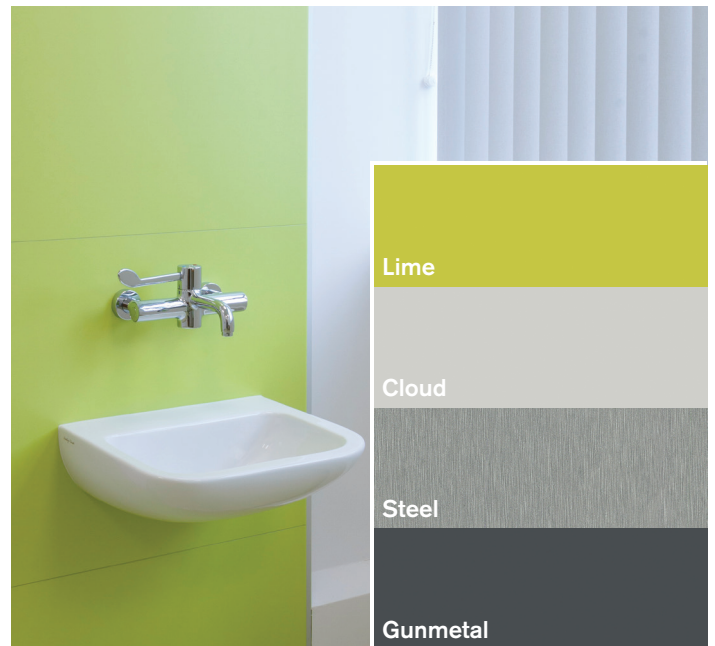

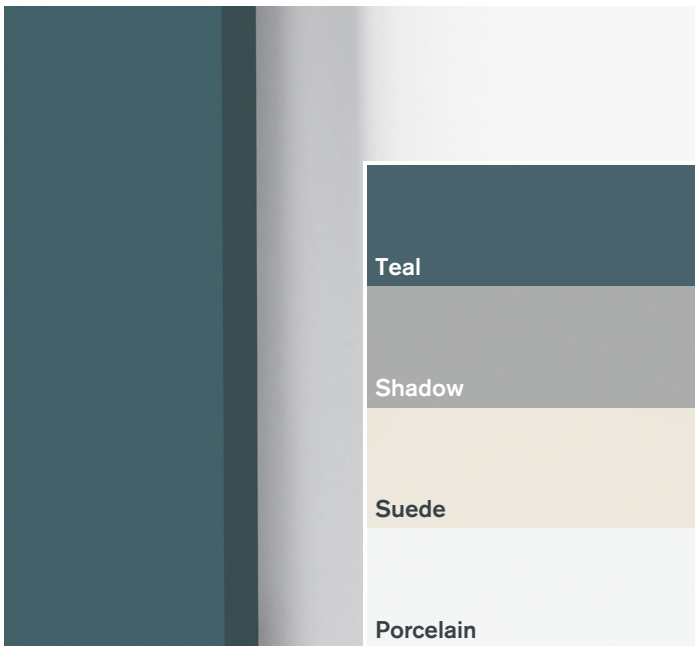

Accent colour

Used sparingly, accent colours are a great way to create contrast or add extra depth to your overall colour scheme.

A little bit of differentiation goes a long way in any washroom environment. The examples below show the effect you can create with one carefully chosen accent colour.

(Please consult our swatch samples for an accurate colour reference)

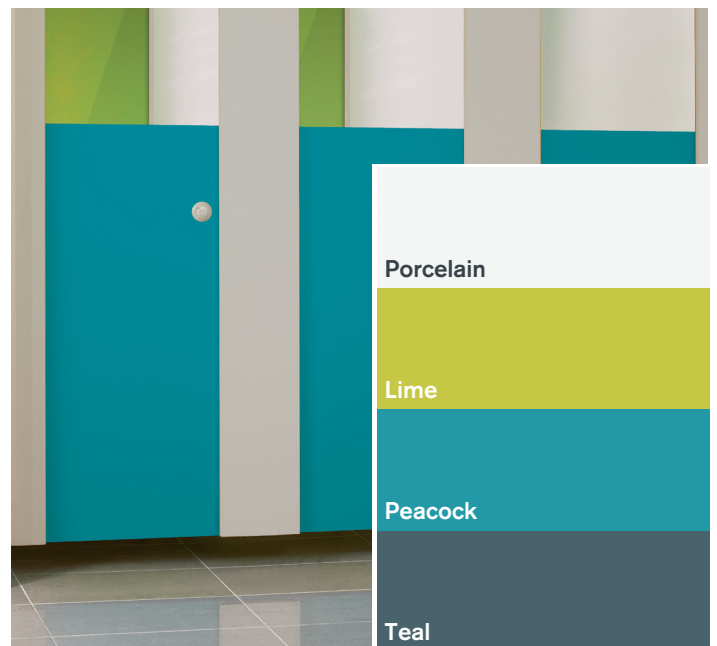

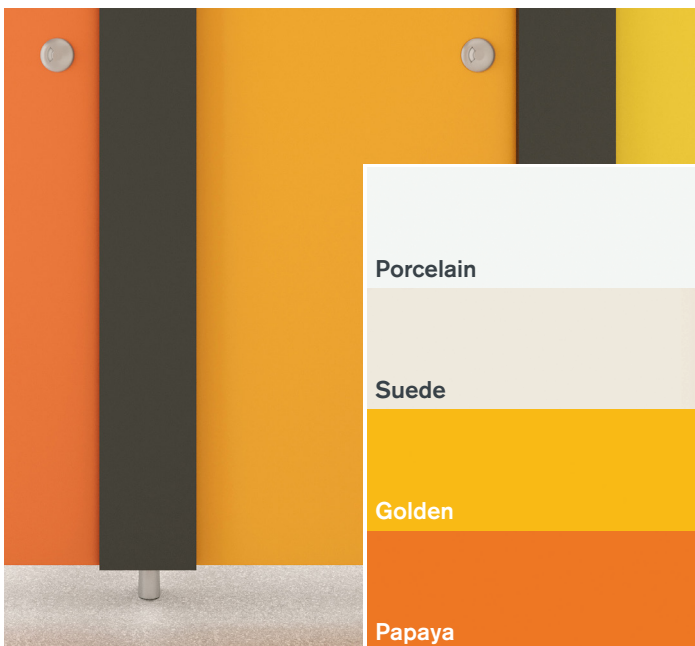

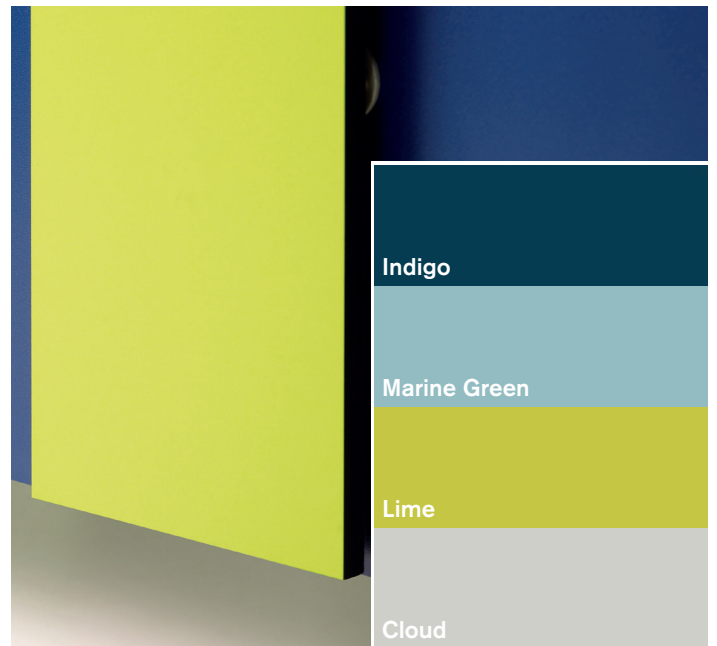

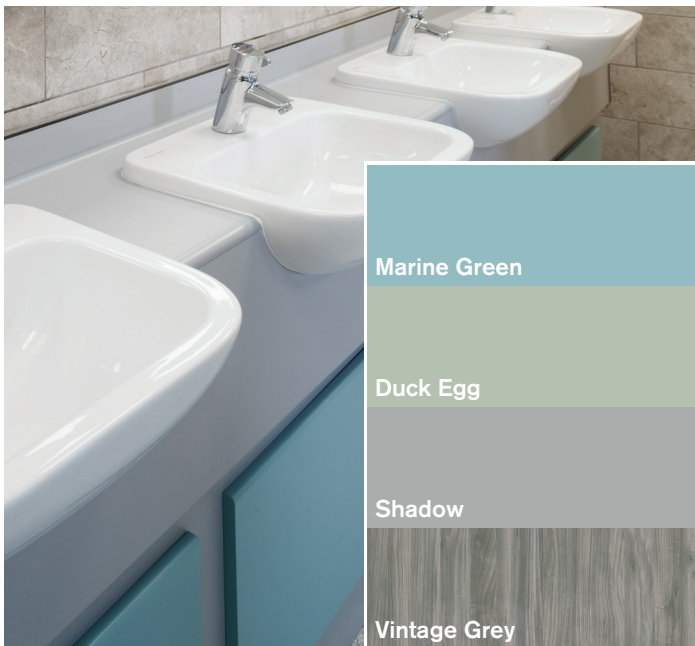

Colour harmonising

Choose complementary colours for a stunning look that's dramatic without being overpowering.

Harmonising colours is an effective way of making a lasting impact. Ask our friendly sales team and they'll help you choose the optimum colour matches for your scheme.

(Please consult our swatch samples for an accurate colour reference)

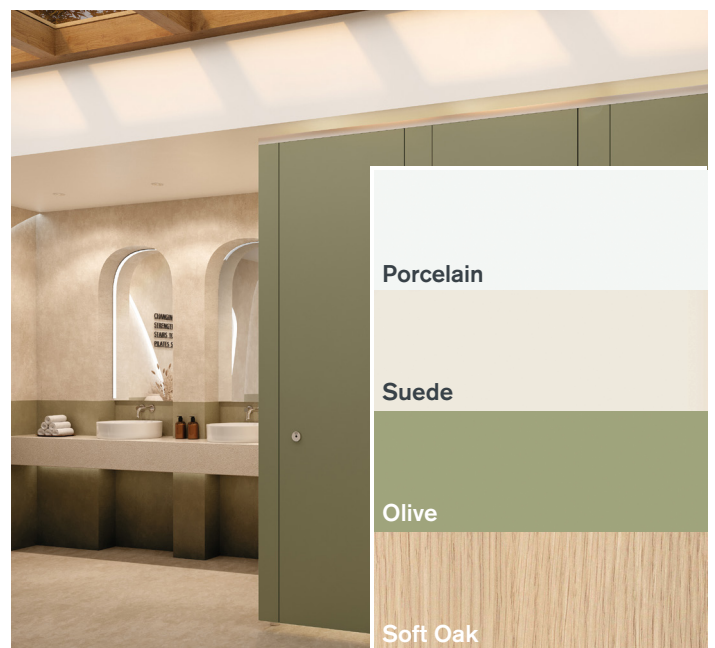

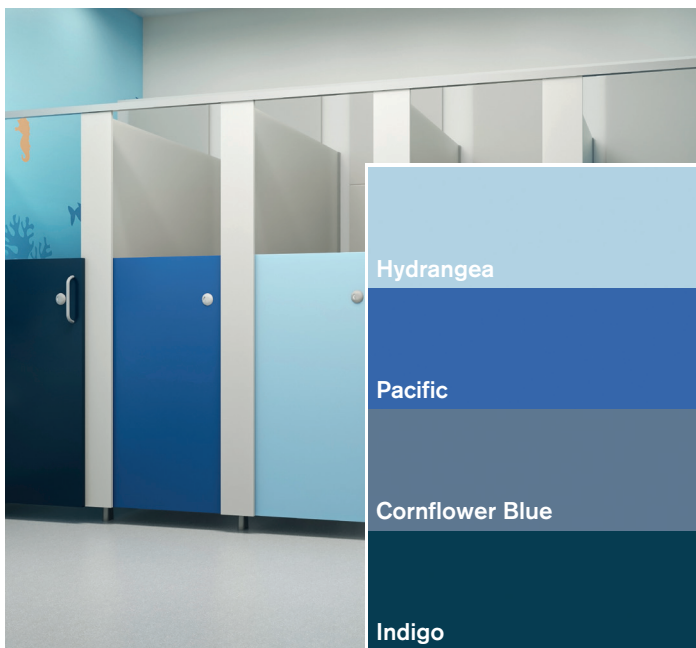

Tonal colour

Select varying shades of the same colour and you'll produce a balanced, co-ordinated finish.

A blend of tonal colours makes a subtle statement. It's a great way to go when you're looking for a more understated aesthetic.

(Please consult our swatch samples for an accurate colour reference)

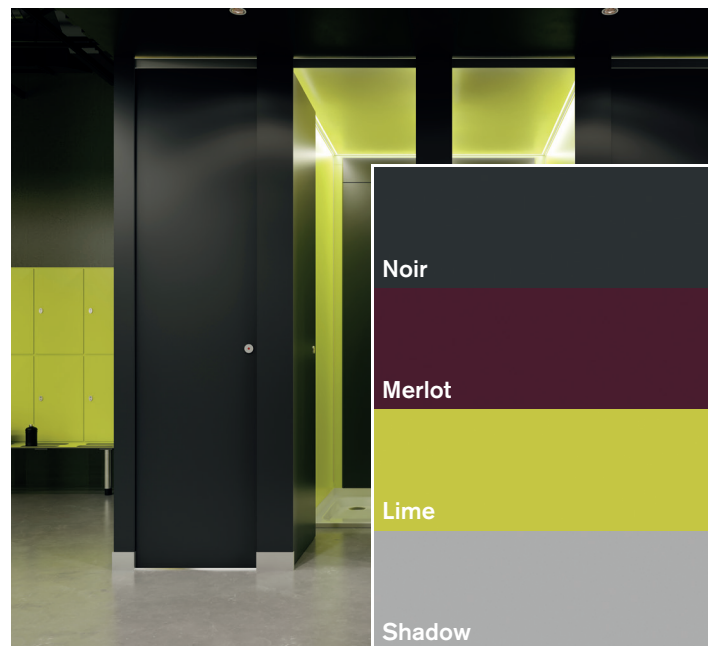

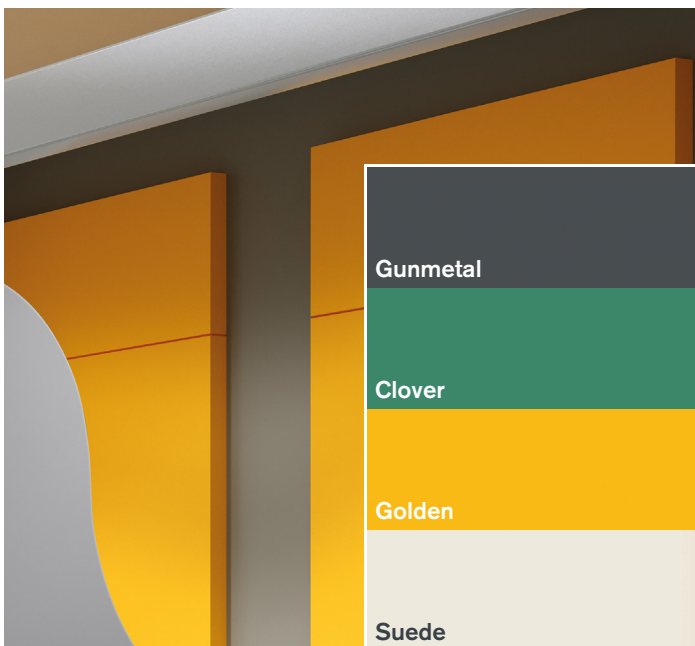

Contrasting colour

If you're opting for a really dramatic effect, choose contrasting colours.

These bold, bright colours are guaranteed to impress. From bright orange to lime green, if you want to make a big statement, this is the way to do it.

(Please consult our swatch samples for an accurate colour reference)

Real wood veneers

Our sleek Alpi veneer finishes have been carefully selected to bring warmth and vitality to your designs.

Vanity units

Available in Solid Surface, Quartz, SGL and HPL, our vanity units offer contemporary style, functionality and uncompromising quality.

Lollipop HPL vanity unit with semi-recessed basins
in Olive, Peony and Soft Oak.

Quartz vanity unit with vessel basins
in Snow.

Solid Surface washtrough and splashback in Limestone.

SGL vanity unit in Pacific, Hydrangea and Cornflower Blue.

Solid Surface vanity unit in Grey Topaz.

HPL vanity unit in Cloud and Shadow.

Quartz vanity unit in Nougat.

Solid Surface washtrough in Roman Marble.

Panel colours

We have a range of inspiring colours from neutrals to vibrant and impactful.

Panel and vanity colours (MFC, HPL and SGL)

All plain colours and wood effects are available with matching ABS lipping. When specifying SGL no lipping is required, as all edges are radiused and polished black.

For your convenience, Luminescence Reflective Values (LRV)* have been provided to help you ensure compliance with Building Regulations Part M and Equality Act 2010.

Hub of resources

Our online hub of helpful information provides you with everything you'll require for your washroom project planning and specifications.

Gain 24/7 access to digital brochures, NBS documents, CAD blocks, BIM files, datasheets, fixing instructions and more via our Technical Library. What's more, you can also order laminate, ColourCoat, granite, quartz, solid surface and real wood veneer samples to help you get creative with washroom colour.

Access all our resources by visiting www.venesta.co.uk/resources

ColourCoat and High Gloss

ColourCoat is our vibrant range of contemporary spray painted colours. Doors, pilasters and panels finished in ColourCoat have a gloss value of 20%.

Edges are sprayed with a coat of primer and finished with 20% gloss pigmented lacquer.

ColourCoat High Gloss is our highly reflective, spray painted colour finish. Doors, pilasters and panels finished in ColourCoat High Gloss have a gloss value of 80%.

Edges are sprayed with a coat of primer and finished with 80% gloss pigmented lacquer.

Black

* Other glass colours available on request. Please consult our sales team on 01474 353333 for further information.

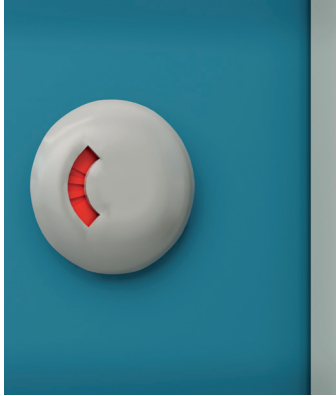

Note: for V3 ColourCoat and ColourCoat High Gloss products, any colour from the RAL Classic Colour chart can be chosen, except fluorescent and metallic.

Cubicle hardware

Our range of fittings have been designed to perfectly complement your selection.

ABS

An exceptionally strong and long lasting material that's easily maintained and able to withstand the hardest treatment.

Aluminium

Our satin anodised aluminium hardware is a modern yet functional choice that provides a smart finish to any washroom.

Stainless steel

Sleek and stylish stainless steel adds a luxury feel to your choice of cubicle. Not only looking great, stainless steel also offers strength and durability.

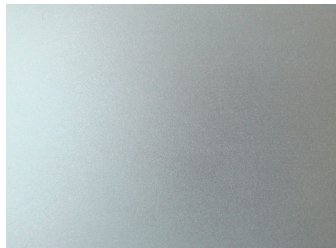

Effects

Satin anodised aluminium or stainless steel fittings are coated in black, brass or bronze effect finishes, for the most stylish washroom designs.
